1951

The Bellevinois

PUBLISHED BY THE SENIOR CLASS OF 1951
BELLEVILLE TOWNSHIP HIGH SCHOOL,
BELLEVILLE, ILLINOIS VOLUME XXXV

"What lies beyond? I'll go and see,
For my horizon is calling me.
Experience, adventure, bid me away
And I am determined to conquer my day."

In high school we discover there . . .
is somewhat of a change . . . and we
must study subjects that . . . are not
a little strange . . . for instance, we
have civics and . . . the chemical do-
main . . . and in geometry we get . . .
the solid and the plane . . . and many
are the courses we . . . may follow or
reject . . . as long as we advance as
much . . . as parents may expect . . .
but also high school is a place . . . to
gain athletic fame . . . or in some
other manner to . . . acquire quite a
name . . . and while our graduation
seems . . . just one more stepping-
stone . . . we think of work ahead and
feel . . . that we are really grown.

Foreword

For most of our lives our parents and teachers have attempted to impress upon us the duties of each of us to ourselves, our homes, our country, and our world. Now we are beginning to realize the importance of ourselves as individuals in the group of which we are a part. We are beginning to realize that the future of the world rests heavily upon the quality of its youth and that we must accept the responsibility of making the best use of our lives from day to day that we possibly can.

Gab Fest

If a man empties his purse into his head, no man can take it away from him. An investment in knowledge always pays the best interest.

Poor Richard's Almanac

Dedication

To Mr. E. G. Hexter, a competent teacher and a true friend, we dedicate the Bellevinois of 1951.

His faithful service as Registrar plus his jovial and pleasing personality have made him a person whom we've learned to admire and respect.

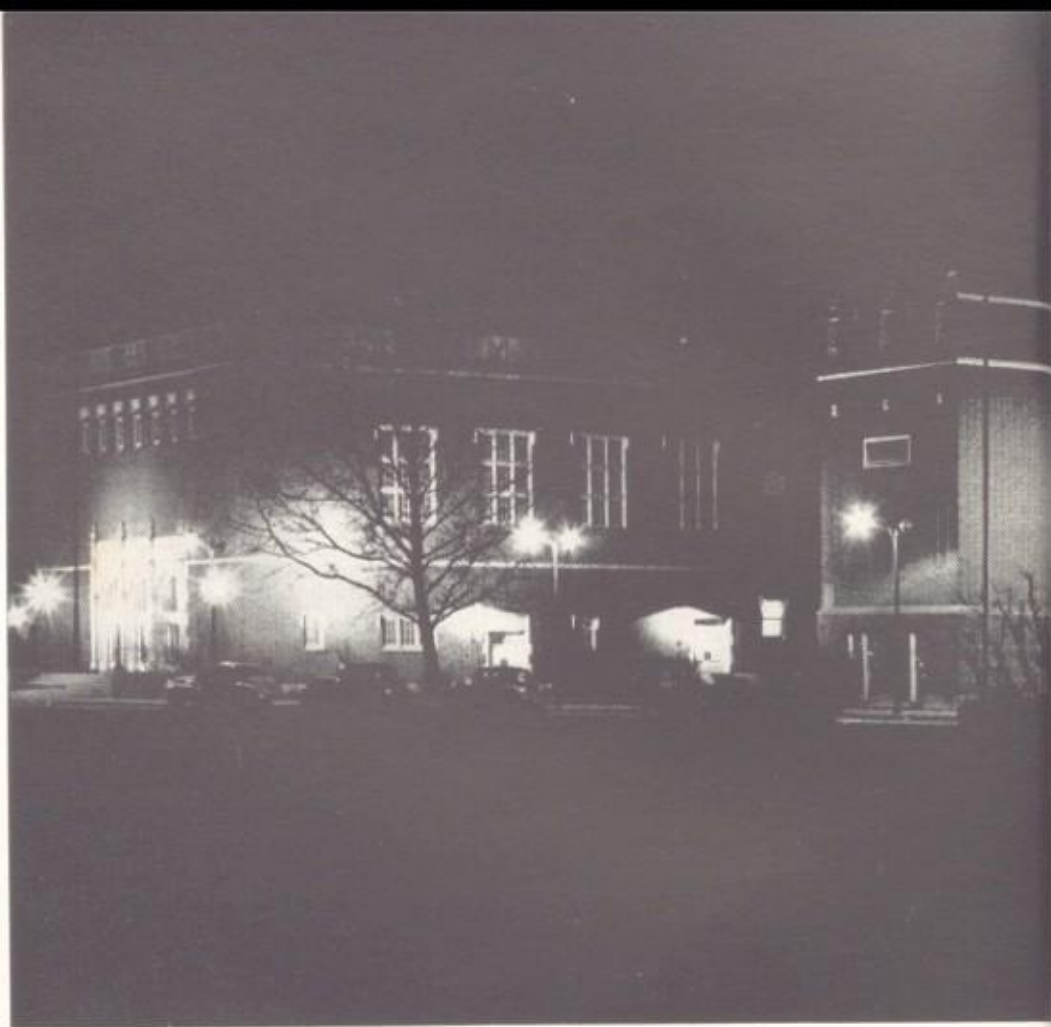

In his description of the Clerk of Oxenford, Chaucer, the earliest of English poets, drew a picture of the true teacher. His love for books, his philosophy for living, his delight in continued study, his clear thinking and his moral integrity stand as a pattern through the centuries. It is the closing words that ring with meaning for teachers, with assurance for parents, and with significance for all of us: "And gladly would he learn and gladly teach."

E. G. Hexter

Acknowledgment

Working together diligently, and in complete harmony, as an inspired team, the staff members of this year's Bellevinois were most fortunate in receiving excellent cooperation from all quarters. Deepest thanks are extended Miss Jane Hansleben, our sponsor, for her diligence, patience, and intelligent advice at all times. Appreciation for technical assistance in engraving layout is gratefully tendered Mr. Harry Swain of Central Engraving Company, St. Louis. And to that untiring Belleville printer of this book, Norman Semmelroth, go our heartfelt thanks for the competent execution of a difficult assignment.

Our Friends

We owe a great deal of thanks to our faculty members. They have not only shown us the need for formal schooling, but have also given their best efforts to teach the art of living well. By their teaching and understanding, they help us keep our hearts and hopes high, and our eyes on the goal before us. We, as seniors, salute them as true friends.

Office Staff

The office is one of the most important places in our school. A good crew is needed to keep things running smoothly and that's just what we have. Friendly faces peer over the counter and give needed advice and directions. All agree that these girls are nice to talk to and nice to look at.

Seated: Mrs. Grovesteen. Standing: Miss Kutzner, Mrs. Zwetschke, Miss Fincke.

Senior Farewell

Classes come and classes go, but rare is the one showing such promise as the Class of '54 — today's Freshmen. This up-and-coming group of students, although novices in experience, show exceptional class and school spirit. Early in their second semester a bang-up Freshman Get-Acquainted Dance was held and many excellent class activities are planned. Watch today's Freshmen go places!

Something on the Side

Extra curricular activities tend to bring teacher and student together in a more informal way, thus enabling each to know and better understand the other. Students also learn to cooperate with fellow students in a democratic manner to achieve common purposes.

Student Council in Action

During 1951 the Belleville Township High School Student Council was alert and extremely active. In addition to the routine accomplishments such as selling chips every Monday morning to relieve the lunch hour turmoil, the Council adopted a Greek war orphan named Kostakis Vlahos. The members distributed cards describing what to do in case of atomic attack, and provided a guide

service for visitors to the school. Class elections were conducted in a democratic manner, a Christmas dance was sponsored, and members of the Student Council served as ushers at all Community Concerts. Student Council advisers are Miss Meta Stenger and Mr. Oliver Cross. Members are elected by their classmates to represent the entire student body.

Bellevinois

Producing a school yearbook is a serious and difficult assignment demanding no small degree of effort. The staff of this year's *Bellevinois*, recognizing its responsibility to produce a work that would adequately describe B.T.H.S. life, activities and accomplishments, strove with willing diligence to do a creditable job.

True, there were trying times, when deadlines had to be met, copy rushed from typewriters, advertisers convinced and pictures hurried to the engraver.

But there was also time for play as well as work, and some of the most cherished recollections of staff workers will be ever entwined with their memories of *Bellevinois* activities.

We who have been privileged to serve our school by helping produce the 1951 *Bellevinois*, have tried sincerely to portray through word and picture, the year's historical record of our school, its instructors and students.

May this book today, and in the years to come, conjure for you, fond and pleasant memories of the B.T.H.S. you knew in 1951.

School Year In Retrospect

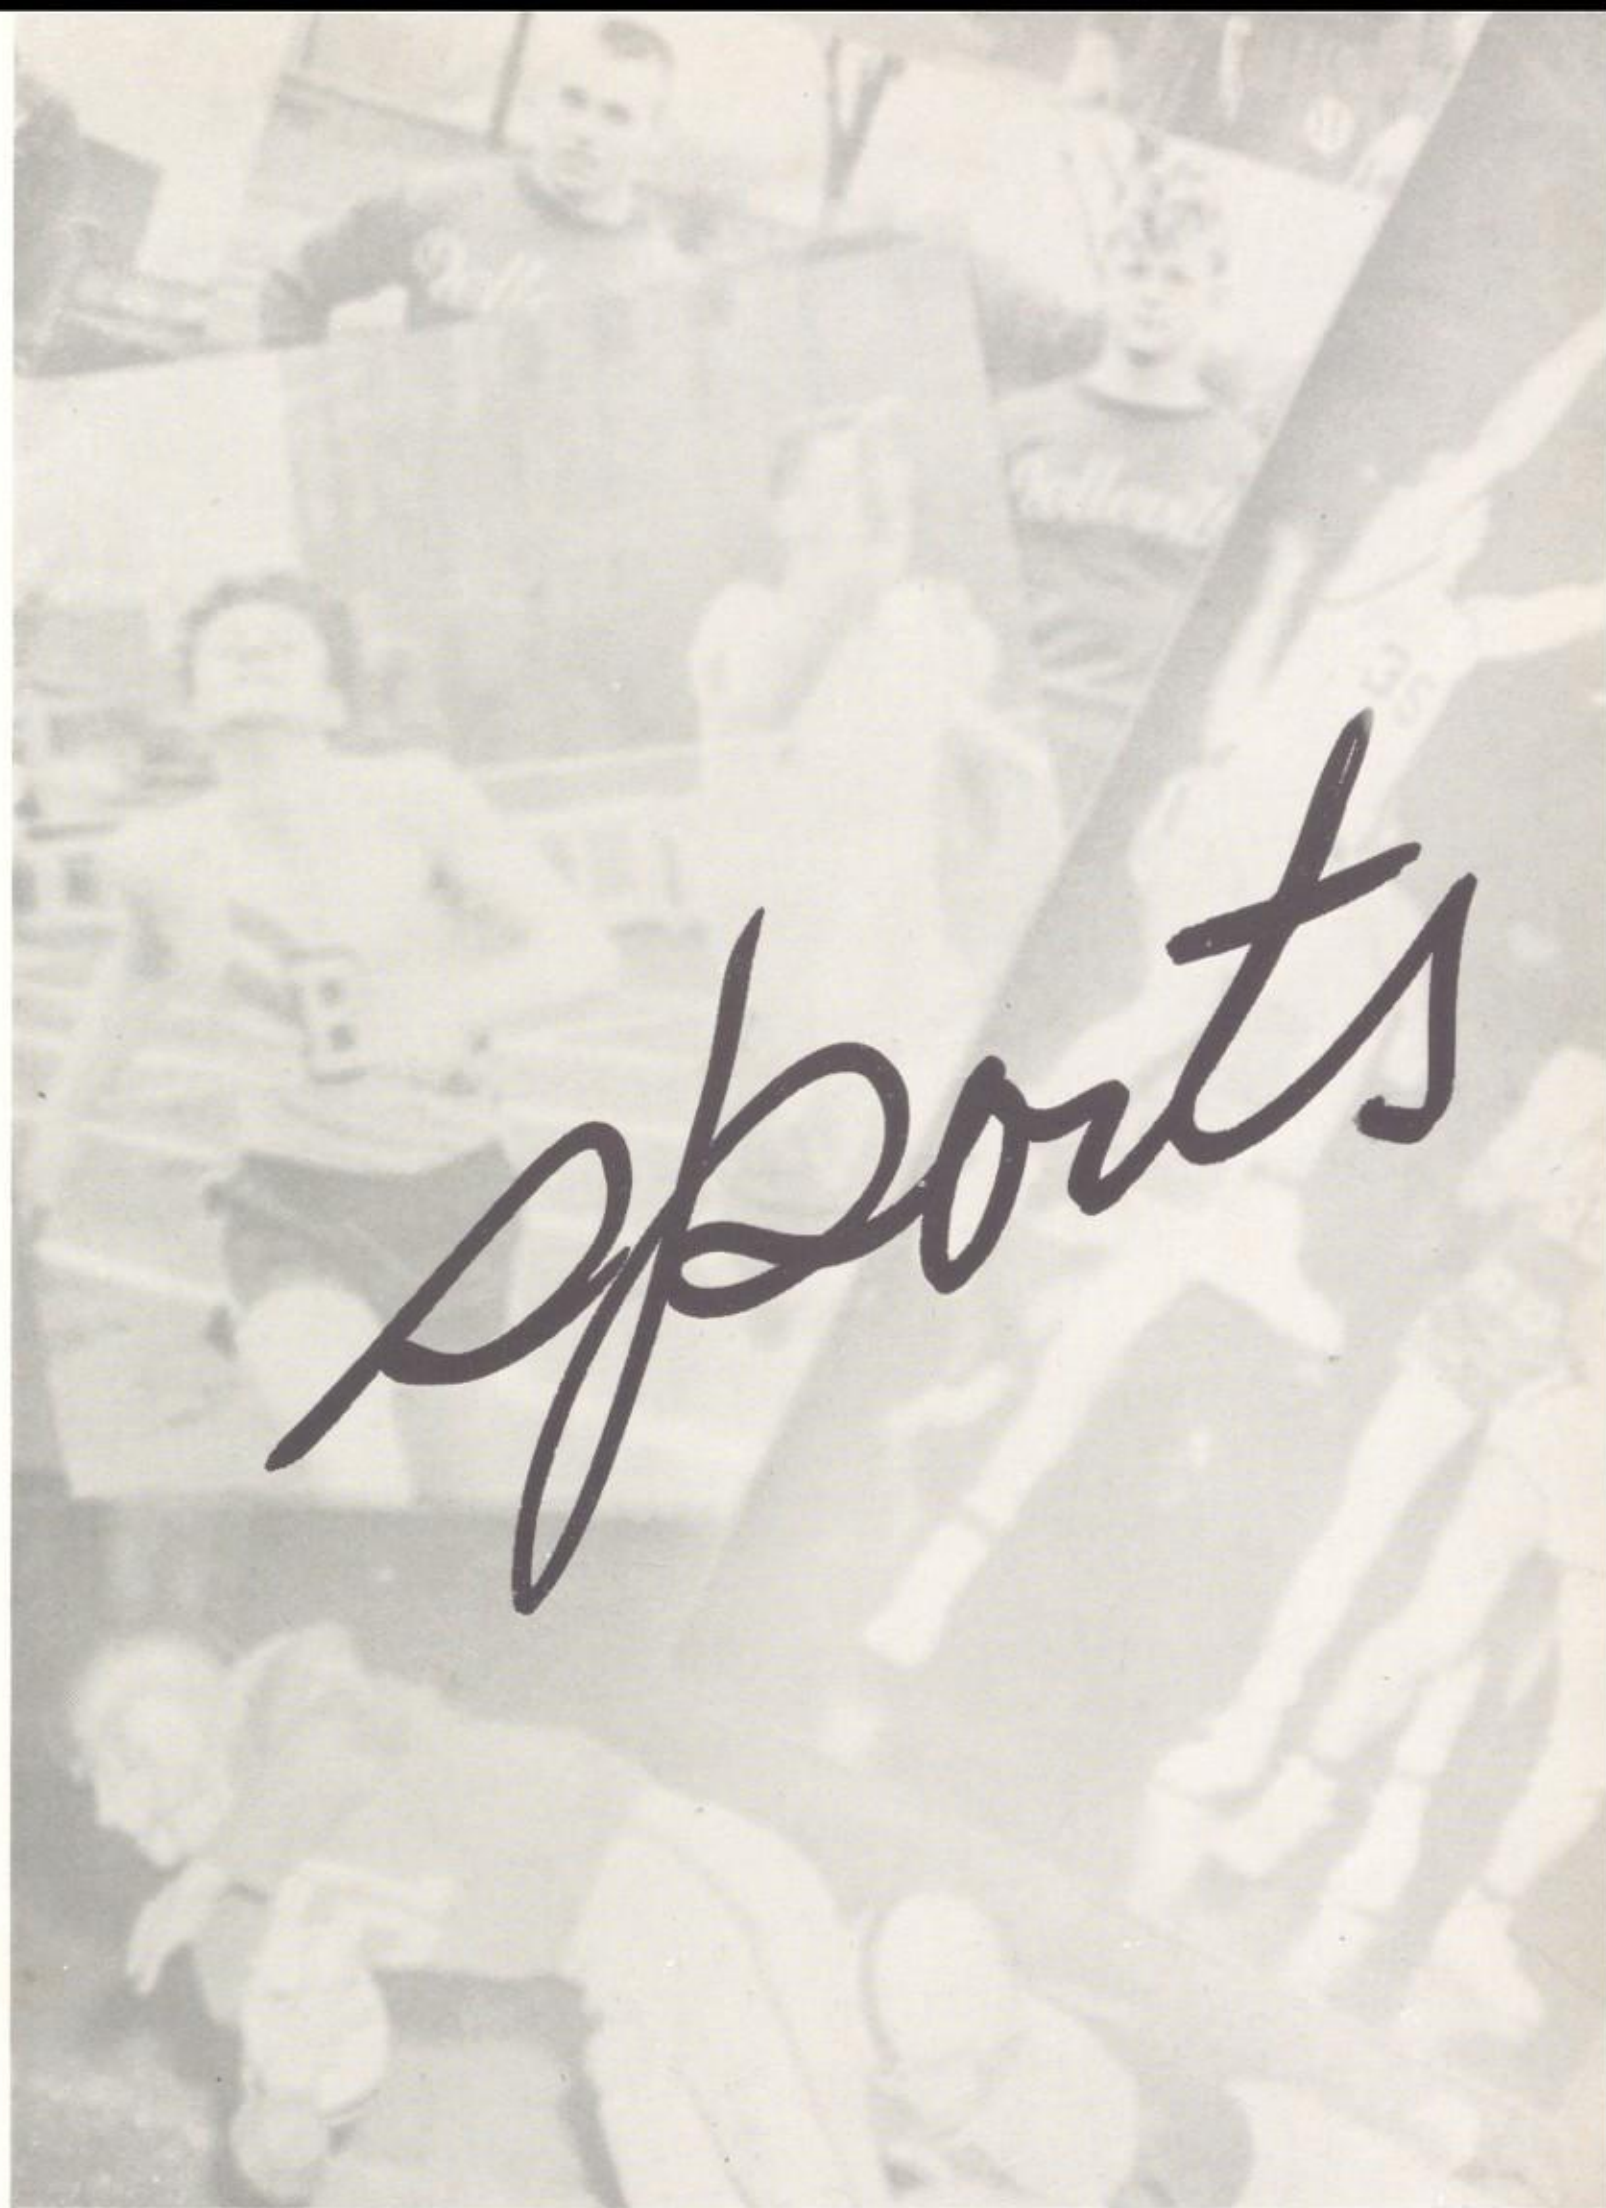

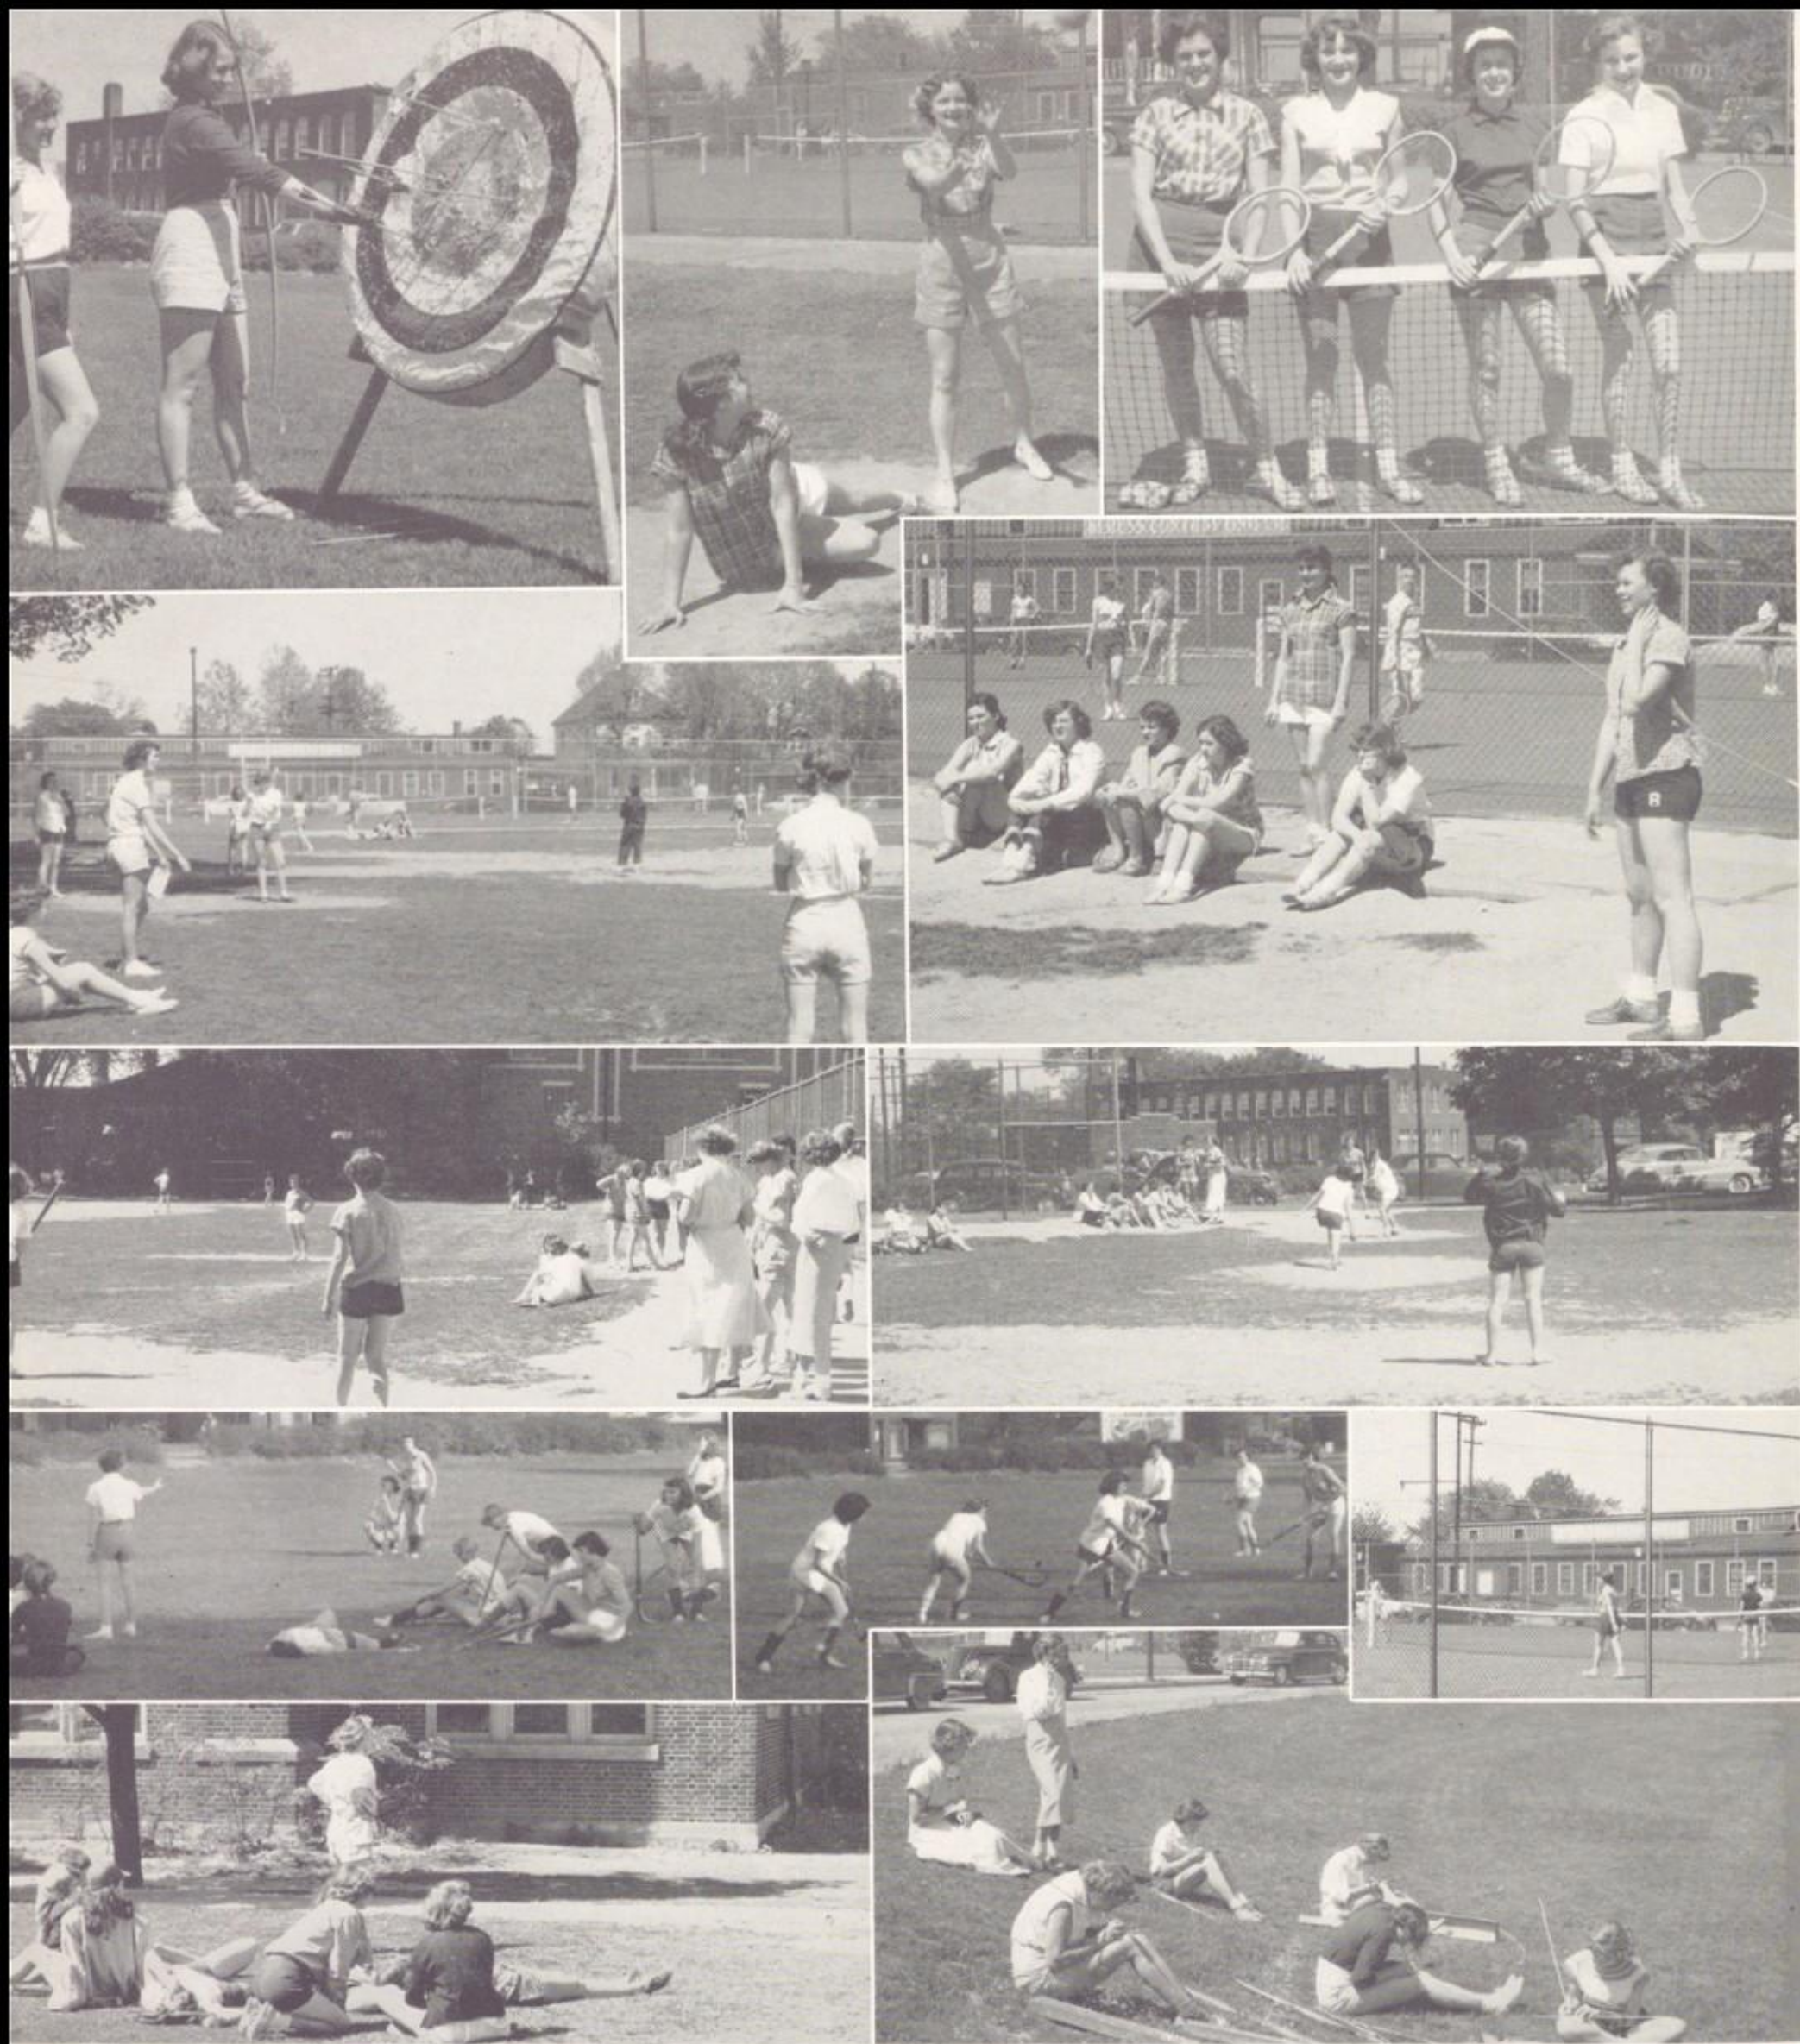

Extracurricular Panorama

Our Heroes

Few of us realize the sacrifices that go with sports—late meals, practice after school, and tired, aching, muscles. These things the fellows are willing to endure to take part in sports, whether it be to win or to lose. They are our heroes, whom we cheer to victory on field and court.

Football

This year's Turkey Day game will long be remembered by Belleville fans, even though we were on the losing end of the 14 to 12 score. A blinding blizzard raged throughout the contest, but our boys played one of their best games of the year and had people wondering why they finished the season with only 6 victories.

The wrestling team finished a successful season with a record of five wins and two losses. Three of coach Rauth's boys, Bill Mayr, Floyd Ross, and Kent Werner represented Belleville in the State Matches.

Plans are being made for an outstanding schedule for next winter. If this arrangement materializes wrestling may become a more popular sport at B.T.H.S. in the years to come.

Track

This year's cinder-men have good reason to feel proud. Sparked by Dick McBride, the team finished in second place in both the Urbana Relays and the Southwestern Conference Relays.

Since the opening victory over Centralia the boys have improved steadily under Coach Harpstreit's skillful guidance. The distance medley has been a consistent point gainer for the team all Spring, and we hope that come State Meet time the Maroons will be well represented.

The future looks bright for track enthusiasts at B.T.H.S., for this year's Junior team looks the best in several years.

Maroons Show Diamond Sparkle

The hustling and hard-fighting baseball team at B.T.H.S. this spring, may yet add another trophy to our already overflowing collection. Sparked by dazzling pitching and timely hitting, the team is battling for the Conference championship as this is written.

Three victories out of four Conference games played and a season's record of eight wins and three losses constitute the Maroons' progress to date.

Bob Meyer, Bob Haentzler, John Schoffstall, Sug Gebhard, Eugene Edgar.

TOP QUALITY

The Maroon moundsmen have performed superbly this Spring. Not only have they limited the opposition to scattered hits, but they themselves have done considerable damage with their war clubs.
